To Whom it may concern,

This writing is to let you know how wonderfully motivating Mr. Aroca is in his presentation. He straightforwardly told his story to Latinos in Action students at our school. He captured the students attention with his detailed account of his life story as an immigrant. He told his story from the time he arrived in the United States. Hearing how Mr. Aroca triumphed through his obstacles of language and dyslexia, gave the students hope. His experiences are something the students could relate as first or second generation immigrants.

I highly recommend Mr. Eric Aroca, as a Motivational Speaker. I believe his presentation is a message to all, immigrants and natives. His presentation reminds us that we need to learn from failure and embrace our culture in order to succeed. Mr. Aroca will truly inspire and motivate you .

Sincerely,

Ana C. Bell
