To Whom It May Concern:

Spanish Fork Jr. recently had the pleasure of hosting motivational speaker, Eric Aroca for training with one of our student leadership groups. Mr. Aroca spoke with the chapter officers and general members of our National Junior Honor Society in a special assembly held in our Little Theater. Along with his PowerPoint presentation about taking control of your outlook on life, he conducted several interactive activities with the students. We are grateful Mr. Aroca was able to accommodate our school in his speaking schedule, and look forward to booking him for similar leadership assemblies in the future.

Eric Aroca is talented in his delivery and has a great personal story of perseverance in overcoming adversity. If you would like further information, please contact our school.

Sincerely,

Dwight Liddiard
Principal
