

November 3, 2014

I am pleased to recommend Eric Aroca as a highly talented and inspirational motivational speaker. He recently gave his "Live the Life" presentation at our annual Professionals for Seniors event here at Legacy Retirement Residence in South Jordan, Utah. His comments were thoughtful and had a measurable impact on his attendees. I would not hesitate to use him for additional events.

I hope you will give Eric every consideration at your next speaking event.

Warm Regards,

Leilani Palmer
